Goal Tracker Online Purchasing Information

License Information:

Goal Tracker is a licensed application (aka Software as a Service). When you purchase Goal Tracker, you are paying for the right to use the application for a designated amount of time. Any data that is entered into Goal Tracker will remain your property and will be provided to you in electronic form if you choose not to renew your Goal Tracker license. A standard Goal Tracker license is active for 12 months from the day of activation. An invoice for the following year will be sent approximately 2 months before the due date.

Setup:

Software Setup is included at no cost as long as the information is provided in the required format on the Goal Tracker setup form. The Goal Tracker setup form will be provided to you after purchase.

- Goal Tracker Online is hosted on our secure servers. You are not required to provide any computer equipment except the computers accessing the internet.
- Requirements for computers accessing Goal Tracker Online:
 - o Internet Explorer 7+, or Firefox 3+
 - o Adobe Flash Player 9 or higher Installed in Browser
 - o Un-interrupted Internet Connection
 - o Recommended Screen Resolution of 1024x768 or Greater
- Other Requirements:
 - o A valid email address for all staff accessing Goal Tracker

Training:

Goal Tracker offers several training options to fit your needs and your budget. See the order form for pricing details.

- **Printed Quick Start Guides:** A quick and easy desk reference for teachers that guides them through the very basics
- **Remote Training:** a 2.5 hour course given by a Goal Tracker support team member over the phone. Instruction is provided while teachers work through the program.
- **On-site Training:** Training is provided on location with one or more Goal Tracker support team members.

Support & Updates:

Support is included in Goal Tracker free of charge as long as you renew your Goal Tracker License. Support options include the help guide, email, chat, and phone support. Support options may be subject to change without notice. Updates, which include new features to the existing core functionality, are also included free of charge.

Goal Tracker Online Purchasing Information

Maintenance Package:

Goal Tracker now provides a maintenance package to help you manage your data and keep your staff up to date. ***Maintenance packages are currently not available for the monthly CC plan.*** The maintenance package includes the following:

- 1) Yearly remote training (does not accumulate)
 - a. 50 students or less - 1 hour of training
 - b. 100 students or less – 2 hours of training
 - c. More than 100 students – 3 hours of training
- 2) Yearly updates for any printed training materials that have been purchased
- 3) Data management services (requires properly formatted documents)
 - a. Student assignments updated yearly
 - b. Student and Staff information updated yearly

Purchasing Information:

- Goal Tracker Online is priced per student on an annual basis.
- Students that are added mid-year are billed the following year on a pro-rated basis.
- If you exceed 25% of your student count during the year, you will be issued an invoice for immediate payment. Failure to pay the invoice within 30 days will incur a \$4/student fee on the following yearly invoice for unpaid students.

Purchasing Process:

- 1) Fill out the Goal Tracker Order Form or fax a Purchase Order to (866) 637-4682.
- 2) Goal Tracker will email the organization admin or contact person a setup form (if needed).
- 3) The form must be completed and emailed back to Goal Tracker before we setup your organization. When the form is received, Goal Tracker will begin the setup process. Goal Tracker may contact you with questions about your setup form.
- 4) Once permission is received, Goal Tracker will activate the user accounts for your staff. Your staff will receive an email that will allow them to access and use Goal Tracker.
- 5) Payment must be received within 30 days of the activation date.
